Sign in	

5) Agree to the terms and conditions

6) Verify the organization domain (select "yes")

	Microsoft		Office Store	Add-ins	Templates	Support		
We just need to check something								
Before we install TTS Platform, we want to make sure that we'll be putting it in the right place.								
We think your organization domain is webmail14.mycloudmailbox.com . Is this correct? What is this about?								
							Yes	No

7) You may have to verify your user account one more time

	• Outlook
	Email address:
\searrow	matthew@tradetechsolutions.com
	Password:
	······
	Private computer (<u>What is this?</u>)
	Warning: By selecting this option, you confirm that this computer complies with your organization's security policy.
	Use the light version
	⊖ sign in

8) You will be asked to 'Install" in your Microsoft Outlook. Select Install

	Add an add-in from the Office Store
add-ins for Outlook at the Office Store	Please confirm that you want to install this add-in:
\searrow	Name: TTS Platform Published by: Tradetech Solutions, Inc.
r email. This add-in will not share	Permissions requested: Read\write item When you click this add-in, it will be able to read and update the data in the selected message, such as the body, subject, sender, recipients, email addresses, and attachment information. Other items in your mailbox won't be read or modified. The add-in may also send data to a third-party service. (See the Privacy Policy for the add-in.)
an turn it off, but you can't	Install Cancel
to: vour mailbox	
n your calendar	

9) Finally, you can select "Ok"

You've added an add-in for Outlook

Office Store	Start using your add-in:					
	 Open an email message and look for your add-in in the gray bar at the top of the message. Your add-in will appear in emails where it can read content in the mail. For example, with the Bing Maps add-in, you'll see the add-in on any message that contains a postal address. 					
	2. Click the add-in name in the bar below the message header to see its content.					
: share	ОК					
t						
	N					

10) On your Home tab you will now see TTS logo buttons

a. See TTS Platform Microsoft Outlook usage for instructions
